

REMARKS AND ARGUMENTS

Claims 11-16 are pending in the present application, of which claim 11 is the sole independent claim. Claim 14 has been amended. Applicants gratefully acknowledge the Examiner's allowance of claims 11-13.

Claims 14-16 were rejected under 35 U.S.C. § 112, second paragraph, as being indefinite, with the alleged indefiniteness occurring in claim 14. Applicants have amended claim 14 to clarify that each of the recited dimensions is a maximum which is not to be exceeded. Applicants submit that this would be clear from the disclosure on page 3, lines 16-17 that "[t]hese dimensions allow each part to fit within a standard sea transport container." If any one of the dimensions were to be exceeded, the part would not fit into the container, and accordingly the amendments do not comprise new matter.

The Office Action also includes objections to the specification, which have been addressed as suggested by the Examiner in the Amendments to the Specification.

If the Examiner has any further objections to the application, Applicant respectfully requests that the Examiner contact Applicant's undersigned attorney by telephone at (847) 649-3891 to discuss the remaining issues.

Respectfully submitted,
